I am encountering technical difficulties trying to get my official website store up and running. If you're wanting to enquire about a piece you saw at a show or in a gallery, or even in my portfolio sections here (or on my other portfolios at DeviantArt and Blue Canvas) [please let me know via e-mail](#) and I'll give you availability information.

I am also reviving my [Etsy Shop](#) for some smaller items in the meantime, being updated a little at a time.

Thank you for your patience!
